

The top half of the image features a dark teal background adorned with various gold-colored Christmas-themed illustrations. These include pine branches with needles, snowflakes of different sizes, a pine cone, and small circular ornaments. The decorations are scattered across the top and right sides, creating a festive border.

## MAKE THIS CHRISTMAS SPECIAL

Celebrate Christmas in style this year at Da Vinci's Hotel. Let our talented team provide you with a holiday season to remember.

We host live entertainment in the main bar every weekend and this holiday season we are stepping it up! There will be music acts on every night from 19th December to 31st December for you to enjoy as we bring in the new year together.

A festive menu will be available in Caterina's Restaurant where we will welcome you with your family and friends. Sit back, relax, and enjoy a catch up with your loved ones and allow our team to look after you for the evening.

We are excited to announce that we will be running our Boxing Day and New Year's Day Carvery this year.
